ENVIROCHAMPS

Our Year 5 EnviroChamps will be presenting their undertakings to students from surrounding schools at CSU today. The students, Ben Lewington, Lachlan Stear, Ryan Finch and Ella Streatfield have started a composting project at school. Next they will move onto re-establishing the worm farm and then fixing up the vegie patch. I am impressed with the enthusiasm and leadership these students have shown to improve our school environmental projects.

EDUCATION WEEK

Next week is Education Week and we will be having some special awards at our assembly to mark the occasion. Our school will also be presenting a static display at the Marketplace in Wagga and some of our senior students will perform their musical item "Lanterns" on the Friday. I will send a separate note with regards to transport for those students. We will also be sending a chess team to compete against other schools in the Marketplace in Wagga. We will run an in-school competition to determine our chess team for Wagga.

PARENT MEETING YEARS 4/5/6

This Wednesday afternoon we will have a meeting at 3:30 in the 4/5/6 room to discuss the Sydney Excursion and the purchase of tickets for those parents or friends wishing to attend the Festival at the Opera House.

PROFESSIONAL DEVELOPMENT

This Thursday and Friday I will be attending two more days in our How2learn strategy. My class will be covered by Miss Fuller.

Regards,

Cathy
