TERM 3 WEEK 3 2022

Public Education Week

It is easy to celebrate when you work at such a lovely school as Uranquinty PS. I know it's the people who make this school so special. The Teaching and SASS staff are very committed to each and every student here. They continually go above and beyond, to care for your children and provide a safe and stimulating environment here at school. The students are generally happy and respectful at school and we encourage every student to try their best at any task they encounter. I really love to see the way our senior students interact with our younger students and provide very positive role models for them.

We are having a very musical year this year as we prepare for the Opera House Recorder performance, CHORDs -Choral Concert at the Wagga Civic Theatre, and the long awaited School Concert which will be held early next term.

I hope you are able to stop by and have a look at our display board in the Wagga Marketplace which will be there until this Friday.

P&C Donations

We are so fortunate to have a small group of very dedicated volunteers who continually support our school through the P&C. Not only have they had our shade shelter established over the playground equipment and supplied us with a Buddy Bench this year, they have also donated a **brand new Bluetooth compatible PA system** to the school, which will be greatly appreciated by all those who have struggled to hear the students when using the old one. In addition to that they have granted a **$50 subsidy** to all families who are sending students on the Sydney excursion this term! We are very grateful for all the support of the P&C.

Silver Badge Rewards

Congratulations to those students who are beginning to achieve Silver Level. I will once again be walking those students to the bakery for a treat at recess as they achieve their badges. Many thanks to Quinty Bakehouse for subsidising this reward.

Gym Photo's – see back

Rapid Antigen Tests

Due to the resurgence of Covid in Wagga at the moment, please feel free to request RATs as you need them. We have plenty available and require you to test your child if they develop any flu-like symptoms. Twice weekly testing is still recommended even without symptoms.

For Sale

One pair of brand new red fleecy track pants from Lowes, size 6 - $10. Please see the office if you're interested.
