TOUCH FOOTBALL DAY

Next Friday 28th June our school will be hosting the Small School's Touch Football Day. We will hold this day at the Uranquinty Hall Recreation Ground. Students will meet at school at the usual time of 9:30am. After the roll has been marked students will walk to the Recreation Ground in their classes. Our walking note at the beginning of the year will cover this.

As the other schools arrive, the children will be invited to have an early recess between 10:00 am and 10:30 am. After that the schools will be mixed into stage colour teams and have a number of games focussing on game skills and participation until 12:30 pm when we will break for lunch until 1.00 pm. After lunch, each school will enter a team to compete for the trophy. Our students will be returning to school at about 2.00pm as the other schools need to leave at that time.

Kinder will be having separate activities organised at the Recreation Ground. Other students will be competing in their stage groups. The reason we are having mixed school groups between recess and lunch is to give all students the opportunity to play a fair game regardless of the size of their school. We are hoping to promote collaboration between the students and an opportunity to learn the game. Each school can then provide a team of their choice to compete at the end of the day. If you are willing to help out with the sport on the day please let me know.

Many thanks to our P&C who are catering for lunch orders on the day (lunch order forms were sent home yesterday with each student). Please let Teresa know if you are able to help with the catering on the day.

REPORTS

All being well with technology this week (and teacher health!) the reports will go out on Friday. Please return your interview time sheets to secure an appointment time to see teachers next week. If those times don't suit, please see us next term to catch up on a parent/teacher interview.

PUBLIC SPEAKING

We wish Tara Foley, Caitlin Rodham, Isabel Cox and Alex Cox well as they compete in the Wagga District Public Speaking competition at Koorringal Public School this Wednesday. I know they will represent our school very well.

CONGRATULATIONS

Congratulations to Hannah Billett who ran 4th at the Regional Cross Country run last week, which means she has qualified for state - A fantastic effort!! Also to Georgia Lewington who competed in the District Girl's Touch Football Team tryouts last week in Albury.

SANDRA CLIFFORD

Our School Education Director, Sandra Clifford, will be visiting the school this Friday morning. Sandra has been supporting Uranquinty for many years now and with huge restructures occurring within higher levels of our Education Department at the moment, Sandra has decided to retire. This will be her last school visit to Uranquinty Public School and I would like to recognise the fact with a small presentation at our morning assembly this Friday.

RECORDER PRACTICE

Next Monday our year 4/5/6 class will head to CSU for a recorder practice with the conductor Susan Sukkor, who will be leading the Festival of Instrumental Music at the Opera House in August. We will need to leave at **9am** and will return by 3:30. Students need to take their recess, lunch, drinks and recorders.
