### Thanks - Vegie Patch

We are very appreciative of the fact that local businesses have decided to support our establishment of a Vegie Patch here at school. Thank you **Darling Irrigation** for the donations of irrigation pipes and fittings. Also thanks to **Mel & Brett Tingle** for the timer and its installation. Thanks also to **Major's Mulch** for the biodynamic pelleted mulch which is available for purchase at Wagga Forest Nursery.

### School Hours 2015

I need to inform you that the Education Department has rejected our application to move our school hours earlier next year. The most recent survey which reflected every school family, did not support the change strongly enough to warrant changing the hours. If the school community desires a change of hours in the future, we are free to apply again.

### School Surveys

Thank you to those families who have returned their school surveys already. If there are any other families who have not yet returned the coloured notes, it would be appreciated if you could do so in the next week, as I will be collating the information to use in our new School Plan and Annual School Report.

### CPR

Years 5&6 students will participate in a CPR course next Wednesday thanks to Origin Energy.

### Assembly

Please feel welcome to attend our school assembly tomorrow at 3.00 pm.

### Welcome Back Mrs Manning

We are glad to have Mrs Manning back safe and sound from her recent holiday. We thank Mrs Franks very much for her friendly nature and capable management of the office during Mrs Manning's leave.

### Fusion 14

Just a reminder that our students' weaving will be displayed this weekend at the Fusion 14 Festival in Wagga. I'm sure it will be a colourful display!

### KINDERGARTEN ENROLMENTS 2015

Kindergarten enrolment forms for 2015 are now available from the school office. If you have a child or know a family with a child ready to start school next year please collect the form from the office or contact the school and one can be mailed out to you.
