P&C Term 1 Donation

Each term the P&C donates \$1000.00 towards the running of the school to buy a few extra things for the students. We are very appreciative of the support of such an active P&C. Last term the donation was used to purchase the subscription of Reading Eggs and Reading Eggspress for all our students. We were also able to purchase new sand pit toys and maths resources for the classrooms.

District Cross Country

Congratulations to the students who will represent our school at the District Cross Country next Monday 19th May. Those students will receive a permission note today.

Police Visit

I invited the police to school last week following a comment by two senior students in class. This was concerning a car that has been seen in Uranquinty recently. The police have had an increased presence in the town this week to keep an eye on things. If you have concerns about happenings in the community, please contact the police and if your child reports a problem please tell the police quickly so that they are able to investigate any issues as needed. Be assured that 'Stranger Danger' messages are part of our PDHPE syllabus and regularly discussed at school, but parents would be advised to follow this important message up at home as well.

Cleaning Staff

We are sad to say that Kevin Skates has decided to resign from his cleaning role at our school. We were very happy with Kevin's work and the pride he took in keeping our school clean and tidy. We welcome Sonia Lucas in his place as our new cleaner.

Year 6 Mother's Day Fundraiser

The Year Six students have raised \$89.00 towards their gift to the school and they hope all the Mums enjoyed their gifts.
