Stage Two Netball

Congratulations to all the competitors who participated in eight games of netball on the most glorious winter's day we've had in a long time! Thanks to all the mums who helped transport the girls on the day and to Mrs Lewington and Mrs Schuppan for offering their expertise on the day.

Excursion Meeting

I would like to invite the parents of all students attending the Ballarat Excursion, to a meeting this Thursday morning at 9.00am. Notes will be handed out and this is an opportunity to discuss any issues in an informal manner. Parents who are not able to make this time can arrange to meet with me at another time as it suits.

Nut Allergy

We now have a student at our school with a diagnosed nut allergy. At this stage it is not necessary for us to become a nut-free school, which would exclude most muesli bars, biscuits and nut products for all students. However, could you please remind your children not to share their food with others, which is what we require at school? In this way parents can monitor more effectively what their child is eating.

Debate

This Thursday our debating team will travel to Tarcutta for our final Small School's debate.

Medical Conditions

Please note that we have been advised there have been students at school recently with school sores. If your child develops any skin irritations please seek medical advice promptly.
