KaPOW- Kids and Print Outreach Workshops

Many thanks to Linda, Lianne, Elaine and Annette from the Wagga Wagga Art Gallery for bringing their expertise and engaging workshops to our school. We appreciate the opportunity to present new and exciting art techniques to the students. Tomorrow we will also have a very special guest with Aunty Lorraine Tye coming to talk to the children about her art practice and life story. The students will also help create a giant mosaic mural.

Enviro Mentors

Today we were also fortunate enough to have **Marc Harper - Sustainability Educator** from *Keep NSW Beautiful*, visit our school and present workshops for all the students.

SASS Week

This is SASS (School Admin Support Staff) Week. I would like to acknowledge the hard work put in by all our support staff this week. Mrs Manning and Ms Logan keep the office running smoothly and go out of their way to attend to the needs of students, parents and staff members. Mrs Hill is also a vital part of our school support staff and is very special to all the students and staff whom she supports. We also appreciate the support of Mr Blight and Ms Lucas who work hard to keep our school neat and tidy throughout the year. Thank you very much for all your support!

Milo Cricket Day

Mr Shoard will be accompanying Stage 3 (Tuesday) and Stage 2 (Wednesday) cricketers to enjoy a Milo Cricket Day at Jubilee Park this week.

Footy Colours Day

Please encourage your child to wear their footy colours this Friday and bring a gold coin donation to support cancer research.

Father's Day Stall

Year 6 are selling gifts for Father's Day this Friday. Each gift will be \$5.00 and if gift bags are required they will be \$1.00. If there are any gifts not purchased at the end, students will be invited to purchase a second gift if they wish.

School Planning Workshops

This Thursday and Friday I will be attending two days of training in Wagga, around the new school planning process. Thank you to those families who have provided valuable suggestions into the future of our school.

Jump Rope for Heart

Please remind students that they don't have long to organise sponsors for the Jump Off day next week, on Friday 12th September.

Life Education

Healthy Harold will be here soon! Next Thursday the Life Education van will be arriving at school. All novelties must be pre-ordered if students wish to purchase any. These purchases will help support the Life Education Program and see it continue into the future.
