TERM 3 WEEK 3 2015

Public Education Week

As we celebrate Public Education this week I want to take a moment to acknowledge the highly competent and hardworking staff we are fortunate to have at Uranquinty PS. I have the highest regard for Miss Fuller, Mr Robinson, Mrs Brett and Ms Fahey who consistently go 'above and beyond' to present high quality and engaging learning opportunities for your children. Our support staff also takes great pride in providing excellence in their roles and I want to thank Ms Caskie, Mrs Hill, Mrs Logan, Mr Blight and Ms Lucas for all their efforts in creating a safe and smooth operating school.

Please take a moment to stop by our display at Wagga Marketplace for the chance to view some of your child's photos and artwork as we celebrate Public Education in Wagga. We are continuing with our commitment to present your child with high quality education at Uranquinty and invite parents at any stage to come and view your child's learning tasks and help out in the classroom. All classes will have the opportunity to visit Healthy Harold this Thursday in the Life Education Van and Mick Henderson will be back on Friday for another NRL workshop. We will present some special Education Week awards at our assembly next week.

AFL & Netball

Congratulations to our footy players and netballers who enjoyed their games last week. Thanks to the parents who were able to assist with transport and to Miss Fuller and Miss Post from Collingullie for supervising the teams.

Healthy Harold

This Thursday the Life Education van will be visiting our school. The Preschool students will also be coming for a visit during the lunch break. If families wish to purchase novelty items, please enclose correct money and label an envelope with child's name and requested item.

BUZ Program

Each class is currently implementing the BUZ (Build Up Zone) program. This program teaches the children strategies for how to deal with problems when they arise with their peers. Children are empowered and supported through developing:

- Protective behaviours
- Bully-proofing
- Relationship skills
- Overcoming fear
- Handling grief
- Conflict resolution skills

For more information on this program please visit <http://www.buildupzone.com/>

P&C Cake Stall

Congratulations to everyone who contributed goodies for the cake stall last Saturday. The array of delicious products looked spectacular and thanks to Kath Rodham for organising it and to all those mums who manned the stall on the day or supplied sweets. The cake stall raised a massive \$800 for the P&C.

Personal Development Evenings

Our school is hosting a mother/daughter evening on Thursday 6th August, for girls from each of the Wagga Community of Small Schools. The night is aimed at year 5/6 girls but is open to year 4 girls at parents' discretion. A father/son evening will be held the following week at Ladysmith PS on Thursday 13th August. We encourage families to access these special evenings as professionals will be presenting many important messages to our students as they prepare for adolescence.

Partial Absences, Late arrival or Leaving Early

If your child is late to school or needs to leave early, please sign them in or out at the office.

Kindergarten 2016

Enrolments are now being taken.

If you or anyone you know has a child that is ready for kindergarten next year, either call in to or phone the office to have an enrolment form sent out

Crossing supervisor

I wish to advise that there will be no School Crossing Supervisor (SCS) available on the crossing on the Olympic Highway on **Friday July 31, 2015 for the afternoon shifts**. Unfortunately a replacement SCS has not been able to be arranged and the crossing will be unattended.
