TERM 3 WEEK 8 2015

P&C Bushdance

What a wonderful opportunity we have to invite community members, families and friends to the upcoming P&C Bush dance with such an accomplished group to lead the evening as the Tin Shed Rattlers! Please encourage your friends to come along to this wonderful evening on Saturday 12th Sept, even if it's not their normal pastime. This is too good an opportunity to miss! For those intending to come along, could I ask you to purchase your tickets at the school office this week, or at least make a commitment to purchase so that the P&C can determine if the event can go ahead.

4/5/6 Excursion

We wish all our 4/5/6 students well as they set off on their trip to Canberra.

Reminder: Students need to be at Kapooka at 7am for a 7.20 departure.

Miss Fuller & Mr Ehsman will be joining with Miss Post and Mrs Eacott to supervise the three day excursion. the students will visit the National Museum, Questacon, National Capital Exhibition, AIS Sports Program, Embassies, National Gallery, New & Old Parliament House, Black Mountain Tower, Laser Tag and the Australian War Memorial. We hope they enjoy this amazing learning opportunity. Those 4/5/6 students not attending the Canberra excursion will be joining 2/3 whilst working on their own learning tasks.

Congratulations

Well done to our students who competed in the Riverina Athletics Carnival yesterday in Albury. Our relay team; Caitlin, Ashleigh, Lucy and Ryan, ran really well and came 5th. Hannah competed in the 800m race and came third which enables her to compete in the State Athletics Carnival in October. We wish you well at the next level Hannah!

Feedback surveys

Thank you to the families that have returned the feedback sheets from last week, please feel free to return any others to the office this week.

P&C Meeting

All families and community members are welcome to attend the P&C meeting tonight at 7pm in the library.

4/5/6 CPR Training

Many thanks to Origin Energy for the CPR training that our 4/5/6 students received last week.

Ms Fahey

Just a note to explain that Ms Fahey has been absent due to her own sickness and a close family member's serious illness. Ms Fahey will be back as soon as she can. During her absence it would be most appreciated if those parents who attended her parents reading training workshops could continue to assist our students needing some extra support.

School Photos

MSP will return again this year to photograph our students on Wednesday 16th September at 9:30am. Envelopes have been sent home today. Please return them to the office either before or on the day.

Aboriginal Cultural Day

Origin Energy have kindly provided funds to transport our students to the Riverina Environmental Education Centre for a day focussed on Wiradjuri Culture. This whole school event will be on Wednesday 16th September. Parents and friends are invited to come along and join in the activities. We appreciate Origin's support once again in keeping the costs down for extra education opportunities for our students.

We will leave the school by bus, as soon as the school photos are completed – approximately 11am. Students will return by 3pm.

K/3 Excursion

Yesterday our K/1 & 2/3 classes headed off to the Civic precinct for a cultural excursion. We began in the Art Gallery where the students had the opportunity to study a photographic display of prints from around regional NSW. The insights suggested by our students were thoughtful and showed deep perception. After a play in the park we visited the museum to look at the exhibition 'War at Sea' and learnt about the WW1 battles involving HMAS Sydney. The museum was very interested to learn that our school bell came from the HMAS Sydney. After a lovely picnic lunch in the Victory Memorial Gardens, we headed off to the theatre to watch the '26 Storey Treehouse' production. It was a high quality performance and we had first class seats in the dress circle -just another advantage of being a smaller group!

Such a wonderful day for all involved.
