TERM 4 WEEK 3 2016

School Concert

We will have a full dress rehearsal at the hall tomorrow so please ensure all costumes are back in tomorrow if anything had gone home. Tickets are now on sale at the office. Tickets can also be purchased at the door on the evening of the concert between 6 & 6.30pm.

After the matinee performance for Collingullie PS and the Preschool, parents are welcome to collect their children at lunchtime to go home and have a rest before the evening performance. If students stay at school they will be having a quiet afternoon watching some video clips. Students should return to the Community Hall in their blacks by 6.15pm for a 6.30pm start. Teachers won't be at the hall to supervise children before 6pm.

Please note that this is an alcohol free zone for the evening as it is a school function for the students.

We hope you enjoy the show!

Feedback

Thank you to all parents who were able to get online and complete our school survey. I appreciate your feedback which we will use for future planning.

Kinder Orientation

Our very excited 2017 Kinders will be visiting for the next three Wednesdays. During this time Ms Fahey will take current year 1 & 2 students in the spare classroom to assist them in forming connections for next year. On the Kinders last visit -16th November, I would like to ask our existing parents to come at 2pm for the parent session and welcome our new families to the school.

Friday

This Friday there will be more school Calendar photos taken. I will be attending a Principal's meeting and Miss Fuller will also be away. We will be replaced by Mrs Taylor and Ms Fahey. Mr Edwards will also be returning for a final day with the 2/6 class.

NAIDOC Celebrations

The students spent a lovely day at the Environmental Centre last week celebrating NAIDOC. Tony explained Aboriginal artefacts and told stories about Wiradjuri culture and then the students painted message sticks, made Johnny Cakes, built gunyas, threw boomerangs and plastic spears and had a fun climb on the ropes course. It was a wonderful way to celebrate Indigenous culture.

Swimming Lessons

If anyone is interested in these lessons and hasn't yet returned the expression of interest, please do so in the next few days so we can finalise costs and get the permission notes out to participating families.

School Photos

School Photos will be taken next Thursday with summer uniform please.

Child Protection Classes

This term all classes will be covering Child Protection as part of the PDHPE syllabus. Content covered ranges from protective strategies and labelling body parts to puberty and social issues. Please let the school know if you do not want your child to participate in these lessons.

Dental Talks

Next Tuesday we will have a visiting speaker give a presentation on Oral health.

School Hats

All students need to be wearing a school hat in the playground. If you do not have a hat you may purchase one from the office for \$15.

P&C Calendar Photo Session

P&C will be conducting the last calendar photo session this Friday. Notes will be sent home to families today. There will also be a school group photo taken on Friday for the front cover of the calendars. Thank you for the co-operation shown during these photo days.
