TERM 3 WEEK 6 2016

Excursions

Well this is a big week – our recorder players are off to Sydney on Wednesday, where they will perform with 800 other talented students from around NSW at the Opera House in the Festival of Instrumental Music. Whilst they are in Sydney they will also have the opportunity to walk across the Harbour Bridge, visit the Sydney Aquarium, have a tour through The Rocks area and visit the Royal Botanic Gardens. I'm sure this will be an adventure to remember for a long time.

On Friday the rest of the 2/6 class will be travelling to Beechworth with Ms Fahey and Mrs Hill. In Beechworth the students will visit the Burke Museum, the Kelly Vault, the Telegraph Station and enjoy a re-enactment in the Courthouse. Although there doesn't seem much interest in the old fashioned lolly shop, we will still visit it and try to convince the children to make a purchase!

Next Wednesday 31st, the K/1 class will visit Hanericka Farm. We are visiting the farm as we have been studying a science unit of Paddock to Plate and looking at an animal unit in literacy.

Can I clarify that the cost of \$12 for each excursion is the reduced price after the transport has been paid for by P&C and Origin Energy. Otherwise the costs would've been closer to \$50 each. There have been some notes returned without the money, please see me if you would like to make other payment arrangements.

School Admin Manager Hours

Mrs Cowell will be in the office each week Monday to Wednesday and alternate Thursdays. Please feel free to come and introduce yourself to her over the next few weeks.

Trent Barrett Shield

Congratulations to Ryan Kemp who was voted Best Player on ground when he joined the Lake Albert team for the Trent Barrett Shield.

Family Donation for Sports Court

We have gratefully received a large donation from Abbey-Kate's grandparents to purchase extra sporting equipment for our new sports court. It is lovely to know there are such generous families in our school community who will continue to ensure our students have the very best opportunities in our wonderful school!

Thank You!

Vegie Garden

Thanks to Dean Heffernan for rotary hoeing the vegie patch over the weekend.

Assembly

There will be no assembly this week. Next assembly will be Wednesday 31st August at 3pm.
