POP Payments

Information on POP (Parent Online Payments) has been sent home today with the newsletter. If you wish to use this facility in the future please keep instructions handy as you will need to know certain details such as student enrolment number (SRN numbers) for making payments which relate to each individual student. It is also important that you note the receipt number given to you on any future permission slips so that we may locate your payments easily at school.

In some cases you will be able to enter a "Fee ID" number to pay an excursion or special event. We will normally provide this to you on school notes. In other cases you may just need to look for the excursion or event to be listed, ready for you to select and then make your payment.
