TERM 3 WEEK 9 2017

Altina K-3 Excursion

We are all looking forward to the excursion tomorrow to Altina. Please ensure all students attending have had a good breakfast and are at school by **7:55am** ready to leave at **8am**. Students will have morning tea when we arrive at Darlington Point and a bit of play before the tour of the animal park on horse drawn carriage. After the tour of the park we will have lunch and then return to school by 3:30. If your child doesn't travel well please ensure they have had some travel motion medication by at least 7:30am. Students are welcome to bring things to amuse themselves on the bus trip, but please don't bring anything too precious which would be distressing if lost or broken.

Naidoc

This Thursday you are invited to our NAIDOC celebrations at school. We are welcoming past Uranquinty PS students Aunty Ruth Davys and her sister Louise for cultural and language activities. We will begin the activities at 10am and finish at 12:30 with a sausage sizzle. Help cooking the sausages would be greatly appreciated!

Ballarat Excursion

I am very pleased to let you know that our wonderful P&C have decided to give each student attending the Ballarat excursion a subsidy of \$50. I know this will ease the financial burden for many families and be highly appreciated by all. Thank you P&C!!

Origin CPR for Kids

Next Thursday our senior students are fortunate to receive basic first aid training at the Uranquinty Hall. We appreciate Origin's support in providing this important training to our students which may even save a life one day.

CHORDS Performance

This year we have four students participating in the Wagga choral festival –CHORDS 17. Our students will be performing on Monday 16th of October. Parents and friends are invited to book tickets for the evening performance online or by ringing the Wagga Civic Theatre. Senior students will be invited to attend the matinee performance which is only open to school students.

Film crew

I have been approached by the crew who filmed 'Backyard Ashes' and are returning to Wagga to film another movie. They are going to use our heritage building (the hall) in one of the scenes and may be calling for child and adult extras. Get your acting skills ready and I will let you know when I have more details. I believe the filming will be early next term.

Touch Footy Day

Next Friday, (the last day of term) we will host the Small Schools community at the Uranquinty Rec Ground. Students will need to wear their sports uniforms including hats.

Green Parties

Next Thursday afternoon we will have our end of term green parties as long as all students are on green or silver levels. We will have a mix of healthy and sweet treats and some fun party games.
