TERM 4 WEEK 4 2017

## Ballarat Excursion

Please don't forget to pack the winter woollies for the 'Blood on the Southern Cross' sound and light show as it is forecast to be quite chilly. Just a reminder to pack morning tea, lunch and drinks for the first day along with a packet of savoury biscuits to share. Please be at Kapooka PS at 6:45am tomorrow morning with any medication clearly labelled and handed straight to Miss Fuller before boarding the bus. Pick up will be around 6pm on Friday evening at Uranquinty PS.

## STEM Presentation

Congratulations to Miss Fuller, Grace and Chelsea, who made an impressive presentation of their STEM project last Friday. Many neighbouring schools and officials from Sydney were impressed with the authenticity and quality of both the project embarked on and the presentation delivered. The girls were once again excellent representatives of our school and responded well to questioning from the crowd.

## CPR Training by Origin Energy

Next Thursday 9<sup>th</sup> Nov, our senior students will be trained in emergency procedures by a qualified trainer at the Uranquinty Hall. Origin Energy are providing this vital service for our students to be well equipped for any emergency they may encounter. Please let the school know if you do not want your child to participate in this. Thanks Origin Energy!

## School Assembly

Due to the Ballarat excursion this week we will postpone the Assembly until next week. We will then have the assembly on **Tuesday afternoon at 2:30pm** to watch the STEM presentation created by the 2/6 class. This will be followed by the **P&C meeting at 3:30pm**.

## Kinder Orientation

Our 2018 Kinders will be joining us for the next three Wednesdays. During this time the year one students will transition up to Ms Fahey's group and Year Three will transition up to Miss Fuller's group. On the final Wednesday -22<sup>nd</sup> Nov, I will have a meeting with the parents of our new Kinder students at 2pm. I invite our current parents to come to this meeting and meet new families and share your own findings of our school and what worked best for your own child.

## Special Visitor

On Monday we had a visit from a very successful past student of Uranquinty Public School. Dr. Colin Yarham and his lovely wife had been in Wagga for a reunion and payed a visit to the school. Dr Yarham was happy to see the original classroom still standing as he recalled his learning days to our students. Dr. Yarham has been very successful all around the world promoting his health education and safety program. This program is currently in place in schools in India, Russia, Africa and here in Australia.
