TERM 4 WEEK 5 2017

Ballarat Excursion

Congratulations to all our students who travelled away with the Community of Small Schools to Ballarat. I understand that all students represented our school very well whilst they were away and have had many stories to share since their return. A big Thank You to Miss Fuller and the other staff who attended for their close supervision of all students and for providing such a rich learning experience which brought History 'to life' in a very real way.

All Grandparents (or older friends) are invited to our school on Wednesday 29th Nov for a special morning with the students. We will have the students and grandparents involved in some fun activities for the morning and then enjoy a morning tea together. Grandparents and special friends are welcome to join us from 9:30 to 11:30am.

Our students from Yr 1 to 6 will be participating in a financial literacy program tomorrow during the mid session. A visiting educator from the Commonwealth Bank will present an interactive session with our students.
