TERM 4 WEEK 9 2017

Grandparents Day

We had a wonderful day with many visitors last week. We got far more than the vertical garden planted, there was an abundance of scones for morning tea and some seriously impressive Christmas trees created. The best part of the day was watching the interaction between the generations and the seeing them engaged together in very productive and positive ways.

Gingerbread House Making

Tania and Paul from the Quinty Bakehouse will be visiting our school tomorrow morning and working with those children who have booked in their Christmas Cooking workshops. Those families may need to help collect the creations at the end of the day so they arrive home in one piece.

Raffle Tickets

The P&C raffle will be drawn at our final school assembly tomorrow! Thanks to everyone who helped sell the tickets.

Presentation Day

Next Tuesday our Presentation Day will commence at 10am. Please ensure all children are neat and tidy in full school uniform. Please bring a folding chair for your comfort during the assembly. Parents could you please have a conversation with your children about the fact that not all students will receive a prize? Every year there are disappointed children who feel it's not fair that they weren't recognised. Throughout the year we take care to recognise each child's unique strengths and traits and encourage them in different ways just as you would in your own family. However Presentation Day is not about sharing it out so that everyone gets a turn, rather it is a recognition of those students who have excelled in a few particular areas. All students will have a chance to perform in front of the audience and I'm sure every proud parent will reassure their children that their worth is not always in public recognition.

P&C Calendar

If you haven't yet sent in the money for the calendars you have ordered please do so as soon as possible. They will be delivered to families before the end of the school year.

Library Books

Could you please return all library books by the end of the week? We will not be borrowing again this year.

Tin Cans

Miss Fuller is still needing to collect clean tin cans for a project. If you can bring some in this week they would be much appreciated.

Parent/Teacher Interviews

We have not scheduled formal interviews for this term as we would prefer to see all parents early in the new year. Anyone who particularly wishes to discuss their child's report is welcome to negotiate a time to see their class teacher.
