TERM 3 WEEK 3 2018

Happy Public Education Week!

We have a busy week celebrating Education Week this week. Tomorrow our Open Day will start with a picnic lunch with the students. The Book Fair will be open for visitors to view and make purchases if they wish. After lunch, the classrooms will be open for visitors to come and see what the students are learning in class. We will then have an assembly with the two items performed that were presented today at the Marketplace. If you are visiting Wagga you might want to have a look at the school's display boards that are scattered throughout the shopping centre. Ours is near the new escalator along with the other small schools. Please remember to return permission notes for Thursday, which should be an exciting day for the students to engage with some practical aspects of Wiradjuri Culture.

Gymnastics Program

We are very fortunate to have Origin Energy sponsor our gymnastics program again this year. This six week program would normally be a very expensive venture for families so we do appreciate Origin's support. Please return the attached note by next Monday.

Book Parade

It's time to start preparing those costumes again! Book Parade day will be on Friday August 24th. All friends and family are welcome to join us at 12:30pm.

Life Education

Healthy Harold will be visiting on Monday 27th August. All classes will participate and this important program which usually costs \$10 per student will be fully covered by the P&C Term 3 donation. Thanks again P&C!

Canberra Excursion

Please don't forget to continue to make regular contributions to your child's excursion to avoid a large requirement before they go.

Special Sporting Guest

We are very happy to announce that we will be getting a visit from a special sporting guest on Tuesday 11th September from 2pm to 3pm. This special guest is a netballer, Abbey McCulloch (NSW Swifts Captain). Abbey will be talking to the students and then running some netball skilled activities for the students to participate in. Looking forward to a fun filled afternoon.

Book Fair

This is the last week of book fair. Parents are welcome to look at the book week collection at our Open Day on Wednesday. If anyone is wishing to purchase books, payment can be made online or with cash on the day.

Book Donations

Books bought and donated to the school by students and their families are greatly appreciated.

If you would like to donate a book and are unsure of which one to choose, we have selected some of our favourites and they are marked with blue sticky label.

We will create a book-plate to place into the book so that your donation can be treasured by everyone who reads it.

Staff & Students at UPS
