Touch Footy Day

Thank you to everyone who helped out to make the small schools Touch Footy Day a great day for all the students. I heard very pleasing comments from the staff of the other schools who always enjoy coming and giving their students this opportunity to learn and practise their skills. Thanks to those who umpired and the P&C who catered so well for all the students.

Kinder Orientation

The 2019 Kinders had a lovely day last Wednesday. They are a very settled group and seem to get along very well together. They are visiting again tomorrow and next week (28th Nov) we will hold a parent information afternoon for new families. It would be lovely if any of our current families could come along at 2pm to welcome them and help fill them in on some of our routines.

Gingerbread Houses

Tanya and Paul from the Quinty Bakehouse are running a workshop again this year at our school for the children to create their own Gingerbread Houses. The houses make beautiful Christmas gifts and will cost \$15 per student. This is not compulsory, but an optional workshop for those families who wish to purchase them. Students not making Gingerbread Houses will be involved in Christmas craft in the classrooms at that time. Permission notes attached to newsletter.
