TERM 3 WEEK 5 2019

Book Week Parade

This Friday at 12:30 our students will have their Book Parade. I encourage all students to bring along a copy of the book their character belongs to. If they don't have a book to parade with, they at least need to be able to explain why they've chosen their character and describe something special about them. Each class will have a sharing time before the parade and students are encouraged to introduce their character for the parade. The pre-schoolers will be joining us for the parade and everyone is welcome to bring a picnic lunch for after the parade.

P&C Winter Ball

Unfortunately we have had to cancel the Winter Ball due to lack of support. A heartfelt thank you to Maree Hill who organised the venue, catering, music, ticket sales and advertising. It's a pity all that work has gone to nothing. Thanks to those families who did buy tickets, your money will be fully refunded.

Professional Learning

Currently our teachers are completing a number of Professional Learning courses. Most courses are completed out of school hours but this term each of us will be off class at some stage to upskill in various curriculum areas such as Maths, Writing and PDHPE.

Child Protection

All classes will begin Child Protection lessons next week. Please contact the school if you do not wish your child to participate in these lessons.

Green Party

There will be a Green Party held tomorrow afternoon to celebrate all the students being on green level.

STEM4TEN

The students from Yrs 2-6 have been enjoying their time with Trai our STEM facilitator. So far the students have experimented with coding, drones and robots. Parents are welcome to pop in any Wednesday morning to join in or simply watch what's going on.

CHORDS Rehearsal

The students involved in CHORDS this year will be travelling to Wagga for a rehearsal on Thursday 5th September. Please return the attached note.
