Book Week Parade

What a lovely day we had last Friday for our Book Parade. The families went to a lot of effort to provide some outstanding costumes! It was lovely to have the Pre-Schoolers join us for the event along with many parents and friends.

How2Learn Survey

Thank you to all the people who took a couple of minutes to fill in a survey about Learning Habits after the Book Parade last week. The top 5 results in order of preference were;

Resilience

Empathy and Listening

Open Mindedness

Imagining

Responsibility

There are many learning habits that our teachers are working to instil in our students to develop lifelong positive habits but it was good to receive the community feedback regarding what is of primary importance to them. Teachers will reflect upon this information with their students.

Assembly is on this Wednesday at 3pm.
