TERM 4 WEEK 6 2020

Learn to Swim Lessons

The lessons had a great start yesterday. Some children were still hungry when they got back and had eaten all their food! Their towels also get very wet coming back on the bus and this makes it hard to get dry when dressing –if you have enough towels an extra one wouldn't hurt.

Presentation Day

This will go ahead with some Covid restrictions, on Tuesday 15th December at 10am. We will need to take details of each person attending and we will have spaced out seating. We will not be able to have visitors stay for morning tea this year and we will have to ask guests to leave at the conclusion of the assembly to avoid mingling.

Book Club

Orders due in Thursday 26th November.

No Kinder Transition this week!

Due to the swimming lessons we will not have Kinder transition this week and next Wednesday will be the last visit.

Athletics Carnival

We had a wonderful day for the carnival and I was very pleased with many students who showed good sportsmanship on the day.

Congratulations to the Rosella's on the win!

Altina Excursion

Please remember to send in all notes and money for the excursion on the 27th. It is an early start at 8.10am departure and we cannot wait for late comers as the tour starts promptly at 10am and we need to give the students a chance to use toilets before the tour commences. We will stop at the Adventure Playground in Narrandera on the way home and anticipate arriving home at about 4.30pm. If it is any different I will try and send an app message on School Stream from my phone as we travel.

Canteen this Friday

As the swimmers eat their lunch at recess, Vicki and Denis have offered to serve toasted sandwiches at recess for the swimmers and have normal canteen lunches for the rest of the students. Many thanks to the Saunders for their flexibility!

Canteen Volunteers

Volunteers are again needed to assist with the general running of the Canteen. This is a very important service to your children as I am sure they all look forward to that special lunch treat each Friday.

If ever Denis and Vicki are unavailable to open the canteen, back up parents and volunteers would be appreciated to step in so that there is no interruption to canteen days.
