TERM 2 WEEK 3 2020

## Managed Return to School

Well so far so good! Thank you to all the families who have managed to collect their children at 1pm. This has enabled us to keep the small group of children whose parents can't collect to remain at school for the afternoon. As long as this continues we will be able to offer everyday learning to all students and not return to a rostered day system.

## P&C Mother's Day Gifts

A huge thanks to Maree Hill and all who helped create the beautiful gift bags for Mother's Day. I for one was very impressed and will be enjoying my treats in the days to come.

## Congratulations

Congratulations to Melanie Skates on being the lucky person to win an extra Tupperware prize bag as a thank you for purchasing a Mother's Day gift bag. We hope all Mother's had a relaxing day surrounded with love.

## Returning Resources

Could you please return all games, laptops, readers, whiteboards, write and wipe sleeves, dice/counters and lanyards as soon as you can? Please leave returned items in the container in the office foyer for sanitising. Please ensure all laptops have been marked off the equipment register. Thank You.

## Assemblies / Canteen

Please note that we will not be having school assemblies or canteen until all restrictions have been lifted. We will hand out green and yellow cards at the morning assemblies.
