TERM 2 WEEK 5 2020

Back to Normal??

Well things are nearly normal but not quite. Class timetables are back to normal and staff and students are getting back into our routines. Bubblers are still banned so don't forget the water bottles for class. Bluearth is postponed for a bit but hopefully will be back before the end of term. Our school athletics carnival will be held in Spring this year and excursions will be held in Term 4 – hopefully! Assemblies and scripture will still be postponed, but thanks to Denis and Vicki Saunders for offering to start the canteen up again this Friday!

Student reports will be coming home at the end of the term, but of course you have seen just as well as us how your child is coping with the learning and the level of ownership they have over their learning. If you have noticed anything that concerns you, please come and chat to their class teacher straight away, don't wait for the formal parent/teacher meetings. It's better to act on things straight away and have consistency between home and school.

Welcome

We want to welcome Leon to our school and hope he has a very happy time here. It's nice that he already has many friends from the community and can settle in so easily to our lovely little school.

P&C

P&C will postpone their June meeting due to the social distancing restrictions still in place. If you have any issues you would like to raise please contact President –Mel Skates.

Canteen news

A new Canteen menu is being sent home today with this newsletter.

Home Learning K/1

Due to increased input from parents for Home Learning lately, K/1 will have a slight pause and return back to old routines in a couple of weeks. I thought the parents might need a little break!!
