## TERM 3 WEEK 1 2020

### Welcome Back to Term 3

I do hope everyone has managed to stay healthy and safe over the holidays. I am back on deck this term with my surgery tentatively planned for Term 4 due to the Covid-19 disruptions in Melbourne.

### Covid Restrictions

Due to the increased prevalence of the virus we will continue to ask parents not to enter the school grounds at drop off and pick up times. Extra cleaning routines remain in place and staff and students will continue to sanitise hands at each entry and exit from class. Please do not send in students with flu like symptoms. We will be regularly monitoring staff & student temperature with a contactless thermometer and if any high temperatures are recorded the student/staff member will be sent home.

### Education Week – Week 3

Unfortunately we are not able to invite adults into our school this year so we cannot have an Open Day experience for families. We will however still have a special assembly without guests and will convey some of the events/items electronically.

### Jump Rope For Heart

This term we will be participating in Jump Rope for Heart. Information will be sent home next week with the newsletter. This is going to require parents to register children online to be able to receive online donations and to keep a log of individuals jump rope activities. The students will be practising for 15mins every day starting from next week. There will be a Jump Off later in the term.

### 2021 Kinders

If you have children ready to start Kindergarten next year, please let the office know so that we can include them in the Kinder Orientation program next term. If there are families outside the school community that have a kinder starting next year, please let them know we are now taking enrolments.

### Book Club

Book Club orders are due by 6<sup>th</sup> August 2020.

### SRC Pyjama Day

What a great day we all had in our pyjama's! Well done to the SRC for organising the day. SRC raised \$105 profit with orders from the very yummy breakfast.
