TERM 1 WEEK 7 2021

## P&C AGM –Today 3:30pm

New and existing families are welcome to join us for the meeting this afternoon. Children are welcome to stay and play, but may need an extra snack to keep them going??

## Drumming workshops

Many thanks to Maryanne who has started off the drumming lessons with a bang! We are very grateful to the support of Wagga Council and the Art Gallery for including our students in this opportunity.

## Labelled Clothing

If you are lucky enough to have been gifted some old uniforms off another school family, or if you've purchased clothing from the P&C second hand clothing shop, could you please strike out the previous owner's name and write your child's name in clear permanent marker?? The cool mornings and warm afternoons are seeing lots of layers coming and going and it gets very confusing trying to sort out who owns what – especially if they have someone else's name on it.

## Parent/Teacher Interviews

If you missed the chance to chat to your child's teacher –there is still time. We will work with you to find a time that can suit both parties in order to have those crucial discussions around your child's specific learning and wellbeing needs.

## Canteen News

Thank you to new comers Laura and Bianca for helping out in the canteen.

All volunteers are welcome! Come along and be a part of your school and watch your child play and interact. Great Rewards!

## P&C Fundraiser News

### **Woolworths Discovery Garden**

Thank you to everyone who has donated the seed pods from Woolworths. We have had an overwhelming amount brought in. We do not need any more at this stage.

If there are any parents who would like to be involved in a school garden project with the students, we would greatly appreciate your time and involvement.

We have some very keen students itching to get started!
