TERM 1 WEEK 7 2023

## **P&C Meeting Online**

Our P&C Meeting will be online tonight which will include the AGM. Please join us via Teams at 7:30pm. If you haven't joined before please give Skye Lewington or Louise Cowell your email address to ensure you can join the meeting.

## **Early Pick Up or Late Drop Off**

Please be aware that if you are dropping your child off late or picking your child up early, you must see Louise Cowell in the office to ensure the electronic roll can be adjusted. After teachers mark the roll in the first 10mins of the school day, they cannot adjust them for children who arrive after this time. Parents are asked to let Mrs Cowell know in the office so that she can correct the electronic records. Thank you to the parents who always follow this procedure.

## **SRC Superhero Day**

Thank you to Mrs Brett and the SRC who organised our wonderful Superhero Day on Friday. I was especially impressed by those students who chose to dress up as their favourite Superheros -their mum or dad!

It was lots of fun and most children rose to the challenge to use their superpowers for good not evil!!

## **Indigenous Senior Choir**

Our students have been invited to join an indigenous choir next term being hosted by The Rock CS. I will only be able to take 4 students by car unless there is anyone who would be able to help transport between 1:30 & 2:30 on a Tuesday afternoon. Please let me know if you would like to help out with this.

## **Handy-men or women?**

We are looking for anyone who might be interested in replacing our tiered seating near the canteen. Mr Blight has made the urgent repairs needed but he does not have time to replace all of the timber which is getting very worn. School will pay for all the materials, we are just looking for someone to do the actual repairs of removing and replacing all the timber boards the children sit on. Please contact Mrs Crick if you are willing to help out with this job.

## **Naplan**

Year 3&5 students will sit the Naplan Assessments next week. Yrs 2, 4 & 6 will combine during these sessions.

## Scouts is for everyone!

Scouting is a worldwide movement that has shaped the development of children and young adults for over 100 years. With over 18,000 youth and adult members from various cultural and religious backgrounds and with varying abilities, Scouts is one of the largest and most successful youth organisations in New South Wales!

Today's Scouts can take part in an extraordinary variety of outdoor activities, from 'traditional Scouting skills' such as camping and bush craft, through to more extreme challenges such as abseiling, overnight hiking, rafting, canyoning, rock climbing, sailing and even flying! Scouts also have the opportunity to become involved in performing arts, leadership development, community service, amateur radio operation, environmental projects and large-scale events.
