TERM 3 WEEK 1 2023

Welcome Back

I hope our students all had a good break and are ready for a great term of learning. We have some excellent learning opportunities ahead for our students this term including robotics, gymnastics and Wiradjuri weaving. We will be having a special assembly for Education Week in Week 3 and hope family members may be able to join our students in the classroom to share in their learning experiences.

Gymnastics

All students are invited to attend our gymnastics program at Airborne Gym in Wagga. Students will travel into the gym each Tuesday for 6 weeks from 1st August, the cost of the bus and gym program can be paid weekly or as a lump sum. Students not participating in this program will remain at school with a teacher. We are grateful for Origin's sponsorship of this essential part of our PDHPE syllabus.

Life Education

Healthy Harold will be visiting our school again this term on 31st August. The \$12 fee for all students to attend will be covered by Origin Energy this year which will enable all students to participate in this essential part of our PDHPE syllabus. We thank Origin for their continued support of our important school programs.

P&C

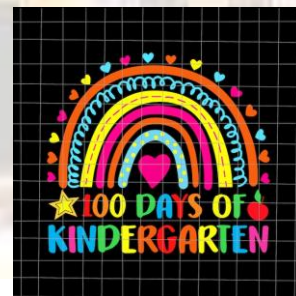

We have a very small band of dedicated P&C members who would love some input from other families. We have changed to online evening meetings this year to try and accommodate more families. Please let us know if you would like to join the online meetings which can be done from any device where you have email access. Next P&C meeting will be Tuesday 1st August.

Riverina Athletics Carnival

Congratulations to Edith Lewington who will compete at the Riverina Carnival in High Jump and Long Jump.

Kinder News

100 Days of Kindergarten is coming up next week. A note will be sent home soon to Kinder students with more information.

Canteen News

There will be no canteen this week.
