## TERM 3 WEEK 2 2023

### 100 Days of Kinder

Congratulations to our kinder students who have been at school for 100 days now.

They have been enjoying lots of fun activities around the number 100 and have dressed up as 100 year old men and women 😊. **Photos on back.**

### Gymnastics

Our Gym program starts next Tuesday and we are grateful to Origin Energy for supporting the cost of the bus fare which reduces the expense for all families. Students can bring money in week by week or pay the whole amount by next Tuesday.

### P&C

Our P&C meeting will be held next Tuesday at 7:30pm via Microsoft Teams.

### Author Day

On Friday 11<sup>th</sup> August, we will be joining the small schools for an Author Day at Kapooka PS. The bus fare will be paid by Origin Energy but families must return the permission note to attend. This day culminates a whole week of online Author Talks we will be participating in via a program called Littlescribes which is designed to enhance our students writing skills.

A lunch order form attached for this day. One order form per child please. **No late orders accepted.**

### Spike Lego Program

Our senior students have been using Spike Lego kits for their STEM lessons this term. They are having a lot of success building and coding their own robots! **Photo's on back.**

### Book Club

Book Club orders are due in this Friday.

### Education Week

Next week is Public Education Week. We will be holding an open day from 12noon on Monday 31<sup>st</sup> July. Parents, grandparents and friends are invited into the classrooms after recess and then we will hold our annual Public Education Week assembly. Families are invited to bring a picnic lunch to share with their children after this.

### School Bytes

All schools will soon be changing the way parents can make online payments, return permission notes digitally and explain absences, through a new platform called School Bytes. More information will be coming soon.

We will continue using the School Stream app at the moment.

### Calendar

#### July

### SRC – When I Grow Up!

On Friday 4<sup>th</sup> August the SRC would like everyone to come dressed up as what they might be when they grow up. You could come dressed up as a vet, a pilot, a tradie or a nurse. Use the dress ups that you have in your house, be creative. There are so many future jobs to choose from. There is no cost for this day, it's just to have some fun!
