TERM 3 WEEK 6 2023

Water Tower Opening Celebrations

On Thursday 24th August, some of our older students will be attending the official opening of the Water Tower. Our students have been making some sketches of the tower and Edith Lewington will read a short story she wrote about the pilot whose image is on the tower. We hope you are able to attend this official function.

Fencing

Please be advised that our school gates will soon be padlocked from 9:30-3:30 to help keep our students safe. We understand that this may be inconvenient to visitors, but it is an attempt to slow the progress of any student who may attempt to leave the school grounds. Of course, we know that children may choose to jump over the fence but an extra level of barrier may be enough to give a child some extra thinking time to make a better choice. Gates will be signposted with the school phone number to ring for access or adults may choose to use the staff carpark gate which will not be locked. Thank you for understanding and supporting the special needs of some of our students.

Healthy Harold Merchandise

Life Education Van will be visiting us next Thursday. If any students wish to purchase Health Harold items, please have order and money in to the office by Wednesday 30th August. Please see the order form attached to this newsletter.

Father's Day Stall

Next Friday we will be holding a Father's Day stall. All items are \$5 each and gift bags will be available for \$1 ea. Students may purchase more than one gift, but only after all other students have purchased their initial items.

P&C News

P&C have been offered the opportunity to run the BBQ for the Uranquinty Community Garage Sale day on Saturday 2nd Sept. The potential to make a very good profit on this day is quite high. But P&C need volunteers. If you would like to assist the P&C with this day please let Mrs Cowell know. **P&C need to know by tomorrow.**

As an essential part of our PDHPE lessons students will soon be undertaking Child Protection lessons. If you have any queries or concerns please contact your child's teacher as soon as possible.
