TERM 2 WEEK 7 2025

## Public Speaking Competition

Congratulations to Mackenzie, Edith and Zahra, who were selected to represent our school at the Small Schools Public Speaking competition. The competition was held at Tarcutta PS today and our girls spoke very well.

Congratulations also to all of our stage 2 & 3 students who presented their own speeches at our school last week. I was very impressed with the effort they had each put into writing, preparing and presenting their speeches to the class. Well done Mrs Brett in preparing the students so well for this important life skill.

## Got It Program

Today we commence the social/emotional program 'Got It' for our junior students. We very much appreciate the efforts of Emma and Erica - our psychologists who are running the program within our school. Emma and Erica have been preparing parents and students for the commencement of this program which will continue into next term.

## Student Reports

Student reports will be available on School Bytes by the end of week 9. Parent/Teacher interviews are offered in week 10 to discuss your child's progress.

## Maintenance Issues

Last week the verandah of A Block (Dinawan class) needed emergency repairs as it was discovered that verandah posts had very little substance beneath them. The verandah has been secured and should now last another 100 years! Today works begin in B Block ( Wilay class & OOSCH ) to replace cabinetry and lino on the wet areas. The Wilay class will be operating in F Block (single room closest to Pearson St) all of this week. Thanks to our staff for being so flexible and accommodating all of our student needs during this period of change.
