TERM 2 WEEK 9 2025

## Student Reports

Student reports will be released through School Bytes before the end of this week. If you would like a hard copy printed, please ask Mrs Cowell to do so for you. Next week teachers will be available after school to discuss the reports and your child's progress. Bookings can be made at the office from tomorrow.

## NAIDOC DAY Lunch Order form

In the first week of next term, we will travel to Kapooka school to celebrate NAIDOC. Permission notes are accessible through School Bytes and lunch order forms will be sent home today.

**Please use one form per child to order.** Orders are due in by Thursday 3<sup>rd</sup> July. **NO LATE ORDERS WILL BE ACCEPTED.**

## SRC Pyjama Day – This Friday

The SRC have decided to have some fun this Friday and wear PJs for the day. Slippers/Ugg boots are fine for the classroom but please bring joggers for the playground and for Sport. There is no cost for the day and teddy bears are welcome too!

## Emergency Contact Details

Please take a moment to update your contact details if there has been any change to your phone, email or address details. Please also think about who you have listed as secondary emergency contacts, as we don't want to wait until something has gone wrong to discover we can't contact you.

## Senior Excursion

The students are working hard to perfect their recorder pieces for our Opera House performance. Please ensure you are organising long black pants, black shoes and socks. We have received the T-shirts which will be given to students just prior to the excursion. We need to finalise numbers with the bus company this week. If any family is having trouble with the finances, please contact us, as we want to work with you to ensure every child who wants to go has access to this unique opportunity. Ticket information below.

## Got It Program

Today we have had Emma and Erica visit our K-2 students again to continue their important message of social & emotional regulation. I encourage parents to access the expertise of Emma and Erica to discuss their child's specific needs.

## Labelled Clothing

I have seen a number of new jackets/jumpers without any labels on them. The chances are that if you don't label your child's clothing it may never return to your home. If you have found clothing from our P&Cs clothing pool, please ensure that you remove the previous owners name as we continue to see clothing from students who are no longer here!

### Life Education

We want to thank Origin Energy for once again sponsoring our students to attend the Healthy Harold van. This normally costs \$12 per student and with Origin's help we can ensure that all of our students get access to this important part of our PDHPE syllabus. Messages such as bullying, drug & alcohol impact and social skills are all important parts of the Life Education program. The van will visit our school in Week 2 next term. Permission notes are now available in School Bytes.
